National Business Aviation Association

Intern Opportunity:
NBAA (National Business Aviation Association) is looking for a summer intern to work in our Education, Training and Workforce Development Division. This intern position is designed to expose an undergraduate college student who is interested in business aviation to various aspects of the industry and NBAA’s professional development opportunities. The intern will engage with staff, members and volunteers to assist with professional development projects including the Safety Manager Certificate, the Business Aircraft Scheduler Certificate, the Sustainable Flight Department Accreditation Program, the Certified Aviation Manager (CAM) program and assist with duties related to the NBAA Learning Management System (LMS). The intern will also perform administrative tasks related to E,T, & WD Division projects. This internship requires a commitment of 35 hours a week for 8 weeks at $18/hr and can be remote or located at our DC headquarters office.

ESSENTIAL DUTIES AND RESPONSIBILITIES
To succeed in this internship, an individual must be able to perform each essential duty satisfactorily. Specific duties and responsibilities include but are not limited to the following:

- Provide administrative support to the E, T & WD Division and assist with special projects as needed such as the Student Edition of Business Aviation Insider, Certificate Program administration, scholarship process assistance, and NBAA Committee projects/deliverables
- Assist in moving the Professional Development Program Certificate to Accredible software
- Provide administrative support to the Sustainable Flight Department Accreditation:
  - Review and compile feedback from Pilot Program, Environmental Subcommittee, and first year applicants regarding program process, documentation, educational resources, etc for Year 2 improvements where possible
  - Update Accreditation statuses as applicants undergo audits
  - Assist with customer service to manage program inquiries and identify areas where additional support, information, and program education is needed. Assist with sending program emails that cannot be automated.
  - Monitor documentation submissions (via NBAA Gravity Forms) and assist with initial review of required documentation
- Reviews NBAA Certified Aviation Manager (CAM) Program files to ensure they are in compliance with certain accreditation criteria
- Communicates with members regarding their CAM credit and status
- Provides administrative support to the Division such as reviewing the NBAA website content for accuracy and makes suggestions for potential updates with direction from E,T, and WD Division staff
- Follows and administers all company policies and acts as a role model in adherence to policies
- Supports other divisions with administrative tasks such as monitoring the Ops Service Group etc.
- Supervision Received: The intern will be provided with detailed instructions for each project that is assigned. Once a project is assigned, minimal direct supervision will be provided and the intern is expected to work independently in achieving the project goals. All the intern’s work product will be closely reviewed by the supervisor.
- Decision Making – Scope of Authority: Works closely within clearly defined procedures
- Contacts: Interacts daily with all levels of the organization, mostly with specialists, managers, directors and vice presidents to gather information from them. However, there are times when reporting information is also required.
