## **WTS Chicago Executive Partnership Scholarships**

Each year the WTS Greater Chicago Chapter honors exceptional young women as they pursue careers in the transportation industry. Our chapter offers numerous local and WTS Foundation scholarships for women seeking both undergraduate and graduate degrees.

As all of us are dealing with many changes in 2022, WTS Greater Chicago Chapter is offering special scholarships for the 2022-23 School Year. We are excited to announce **nine Executive Partner Scholarships\***. These scholarships will be for \$2,000 each and will honor exceptional students who demonstrate a continued interest in a career in the transportation industry upon graduation. In the spirit of our Executive Partners, interested applicants must show a commitment to advancing women in the workplace and building infrastructure to support strong communities and the safe movement of people and goods across our Chicagoland region and beyond.

Chicago's Executive Partners for 2022 are: AECOM, Atlas Engineering Group, CDM Smith, Globetrotters Engineering, HNTB, Jacobs, Michael Baker International, TranSystems, and WSP USA.
