

Aviation Planning Internship Spring 2018

Global Aviation Planning and Development

Chicago Office

www.landrum-brown.com

Landrum & Brown (L&B) is a global leader in aviation planning and development. We hire talented individuals who enhance our corporate culture with their aspirations, experience, and enthusiasm. We are seeking interns who are interested in learning about our areas of expertise:

- Terminal Planning & Design
- Environmental & Sustainability Planning
- Noise Management
- Airfield and Airspace Planning
- Facilities and Operations Planning and Support

This is a paid, full-time internship.

To apply, send your resume and cover letter (PDF) to
