

Contributions Needed for All Aviation Programs!!! **If SIUC calls for a contribution, think of SIUC Aviation!**

The aviation degree programs at Southern Illinois University Carbondale need your financial support! Alumni support of key scholarship programs as well as ongoing funding for laboratory equipment and other important departmental and program needs is crucial to our future! See the list below of different scholarships and related funds that your money can support. These are listed for each of the aviation degree programs. PLEASE WRITE THE NAME OF THE FUND THAT YOU WISH TO SUPPORT ON THE DONATION CARD BELOW BEFORE MAILING OFF YOUR CONTRIBUTION TO THE SIU FOUNDATION. Please note that, for this year, the following priorities have been identified for fundraising for each program: For Aviation Flight: The Aviation Flight Development Fund. For Aviation Management: The C. Gene Seibert memorial Scholarship Fund. For Aviation Technologies: The Aviation Technologies Development Fund.
